

Zoo Project

Name _____

AAAHHH...Our Mother Tongue class is becoming a zoo! The following assignment is an extension of the research report that we will be completing in class about an animal. Students are to complete and prepare this portion of the assignment at home. **It is due for rehearsal on 02 April and the actual presentation will be 03 April.**

Zoo Project Requirements

Physical Representation Based on what you learned about your chosen animal, create a physical model of your animal. It should include at least 3 of the physical characteristics that are listed in the written report. Points will be given for accuracy and creativity.	_____ / 20 pts.
Summary Be prepared to present the physical model you have created and orally explain the following details to the class: <ul style="list-style-type: none">• Tell at least 3 details about the animal’s physical features.• Tell at least 3 details about the animal’s habitat.• Tell at least 3 details about what the animal eats.• Give at least 1 interesting fact that you learned.	_____ / 20 pts.
Oral Presentation When presenting your information, remember to keep the following points in mind: <ul style="list-style-type: none">• Eye Contact (Look your audience in the eyes.)• Proper Volume (Make sure your audience can hear you.)• Clear Speech (Pronounce words clearly and correctly.)	_____ / 10 pts.
Comments	Total _____ / 50 pts. _____ %

**Extra points will be awarded to those that come to school on the day of the zoo presentation dressed as a zookeeper!

Good luck and have fun!
